

Sunlite 04282 16-Inch Traditional Dome Ceiling Light, Classic Decorative Flush Mount Fixture, Alabaster Glass Shade, 2 GU24 Bulbs (Included), For Bedrooms, Hallways & Bathrooms, Brushed Nickel

DESCRIPTION:

Product Description The Sunlight Traditional Dome ceiling light can best be described by two words: Simple and Elegant. With its stunning Alabaster Glass Shade and its brushed nickel trim, this two-bulb flush mount fixture will add a touch of class to your dÃ©cor! Features 1 tantalizing alabaster glass, 14-Inch diameter, and its 2-light design uses two 18-watt GU24 bulbs (included) From the Manufacturer Simple and elegant are two words that best describe this brushed nickel dome fixture. It features alabaster-like glass and includes two Energy Star certified 18 watt warm white GU24 lamps. A nice look and a great way to save energy.

FEATURES:

- **TRADITIONAL DESIGN** – This classic flush mount ceiling Light fixture combines a classic finish and minimal shape, making for a lovely fixture. The alabaster shade provides the perfect light distribution, while still making the brushed nickel mount a center focus.
- **LOW PROFILE** - Only 14 inches in diameter and, 4.75-Inch high this traditional fixture is low profile with a minimalistic design. It easily blends in with any open space. Perfect for spaces with little lighting. Awesome with a low ceiling designed areas as well. Takes two 18-watt GU24 bulbs (included)
- **DURABILITY**- This flush mount is made of high-quality metal and frosted alabaster glass which guarantees lifetime durability. The product meets strict high-quality requirements to be safe and reliable for many years to come. The flush-mount is UL listed for safety standards and is approved for Indoor location use.
- **UL LISTED** - This minimal flush mount ceiling light is suitable for damp locations, which is ideal for areas like kitchens or bathrooms. Since the color temperature can be easily adjusted; you can meet different demands in areas that require more coverage lighting like bedrooms, hallways, guestrooms, and garages. Great coverage lighting while keeping it simple.
- **EASY INSTALLATION**- Designed to be installed with the mounting plate, all it takes is a simple screwdriver to mount the plate. Twist the glass shade to mount the plate. (Instructions are included)
