

**Sunlite 88677 LED 8 Inch Floating Glass Flushmount Ceiling Light Fixture, 2 Pack, 17 Watts (80W Equivalent), 1200 Lumens, 3000K Warm-White, Dimmable, 15,000 Hr Lifespan, Black, For Entryways & Kitchen Floating Glass**

**DESCRIPTION:**

The Sunlite LED Floating Glass Flushmount Ceiling Light Fixture is a simplistic but gorgeous fixture that combines a sleek design with minimal features. With its two tiers made of glass and metal; working together to diffuse the light while maintaining its beautiful look. Its versatility, damp located rating, and 3000K color temperature; make it perfect for bathrooms, wall sconces, and anywhere else around your home.

**FEATURES:**

- **MODERN DESIGN** - Modern and clean lines converged to create this minimal flush mount. The contemporary flush mount has two tiers made of glass and metal. The tiers of combined metal and glass work together to diffuse the light while maintaining its beautiful eye-catching look.
- **LOW PROFILE & POWER EFFICIENT** - Only 8 inches in diameter, this sleek and slim modern flush mount is only 1.9 inches deep. With its minimalistic design, it easily blends in with any open space. Perfect for spaces with little lighting. Awesome with a low ceiling designed area as well! This fixture only draws 17W of power yet emits enough light equivalent to an 80W incandescent light bulb. Simple but with amazing brightness due to its Lumen output of 1200!
- **VERSATILITY** - With its simplistic design, this modern flush mount allows you to get creative. For a more creative look, you can mount this fixture as a wall sconce! Mounting as a flushed wall sconce would still maintain its elegant look to spread useful light over surrounding walls and mirrors. (mounting hardware included)
- **LED COLOR TEMPERATURE** – This slim flush mount has a color temperature of 3000K which can be used efficiently in retail, office environments, and residential homes. A 3000K color temperature provides better clarity and beneficial for those areas that require more lighting for everyday tasks. This LED fixture is dimmable and has a life expectancy of 15,000 hours. Powered by bright LEDs (1200 Lumens) and consuming only 17 watts, this contemporary flush mount is equivalent to two 40-watt light

• This flush mount ceiling light is suitable for use in areas like kitchens or at in areas that require more coverage rooms, hallways, guestrooms, and garages. Spaces like pantries and walk-in closets.
